

This serves as DVA/HC Political Action Committee's amended electronic response to its April Monthly Report (3/1/07-3/31/07).

DVA/HC PAC received a letter from the FEC (Identification Number C00368902) requesting clarification of a \$5,000 transfer from the federal account of DVA/HC PAC to a non-federal account.

This serves as said reponse and clarification.

DVA/HC PAC has a federal separate segregated fund as well as a non-federal ("state") separate segregated fund. Routing and bank account numbers for each are available and have been offered to the Senior Campaign Finance Analyst with whom we spoke regarding this matter.

Additionally, the transfer noted on the April Monthly Report (3/1/07-3/31/07) was made as a contribution from the federal separare segregated fund to the non-federal separate segregated fund of the DVA/HC PAC in accordanc with federal and state campaign finance regulations. It was not made

for the purpose of "reimbursing" the non-federal account for any election-related activities or expenditures so as to trigger the allocation requirements of 11 CFR Sec. 106.6.

We trust this serves to adequately address the issues raised in the FEC's September 19, 2007 letter (ID C00368902), and invite the FEC to contact us if it requires any additional information and/or documentation in this regard.

Thank you very much.
